GEORGIA DEPARTMENT OF JUVENILE JUSTICE Transmittal #: 15-09
Personnel Policy #: 3.20, Non-Discrimination in the Workplace
Effective: 7/1/2015
Scheduled Review Date: 7/1/2016

The Department of Juvenile Justice is an equal opportunity employer and shall not unlawfully discriminate on the basis of race, color, religion, sex, national origin, age, disability, pregnancy, childbirth or related medical conditions, genetic information, or sexual orientation. It is the policy of the Department to resolve complaints of unlawful discrimination and sexual harassment internally whenever possible. The Department shall comply with all applicable federal and state laws, rules, and regulations.

Step 4b: Narrative Underutilization Analysis

The Georgia Department of Juvenile Justice (DJJ), Office of Human Resources reviewed the Utilization Analysis Chart that compared the Departments workforce to Georgia's relevant labor market statistics. DJJ continues to employ Blacks or African Americans at a proportion twice the state's demographic and employ Whites and Hispanics at a proportion of one-tenth the state's demographic.

White Males were significantly underrepresented in the following job categories: Officials/Administrators (-12%), Professionals (-19%), Technicians (-28%), Protective Services: Non-sworn (-24%), Administrative Support (-19%), Skilled Craft (-11%) and Service Maintenance (-24%).

Hispanic Males were slightly underrepresented in the following job categories: Professionals (-1%), Technicians (-1%), Protective Services: Non-sworn (-1%), Administrative Support (-1%), and significantly underrepresented in Skilled Craft (-15%) and Service Maintenance (-10%).

(See Attached)

Step 5 & 6: Objectives and Steps

1. Our objective is to continue providing equal employment opportunities for White, Hispanic, Black and Asian males and females when our organization fills vacancies that become available in the Officials/Administrators, Professionals, Protective Services Non-sworn, Administrative Support, Skilled Craft and Service Maintenance job categories.

a. DJJ will continue to use the following resources to attract and recruit qualified applicants of a diverse population statewide:

- College/University Referral
- Employee/Friend Referral
- DJJ Facebook
- Job/Career Fairs in targeted venues of underrepresented populations
- Targeted local newspaper advertisements of underrepresented populations
- LinkedIn
- Radio Advertisement on 45 different stations in 2 additional languages (Spanish and Chinese)
- Road Signs
- Web Search
- Goodwill Labor Pools
- Georgia Department of Labor Career Centers

2. DJJ's objective is to continue to encourage White and Hispanic Male and Female applicants to apply for vacancies in all job categories.

- a. HR will conduct periodic reviews of the demographics of its workforce in the facilities and of other job vacancies that represent significant underutilization of White and Hispanic Males and Females in all job categories and modify recruitment strategies accordingly.
- b. Ask current White and Hispanic Males and Females for referrals
- c. Collaborate with the Budget Office to increase starting salaries for mission-critical positions (Protective Services - Non Sworn) - currently pending approval with the Governor's Office of Planning and Budget.

Step 7a: Internal Dissemination

DJJ will post a hard copy of the agency's EEOP Utilization Report on official bulletin boards in all local HR Offices statewide AND an electronic version on the agency's intranet which is accessible to all DJJ Employees.

All DJJ employees will be notified via email communication about the posting of the agency's EEOP Utilization Report on

the Employee's Business Link at: <http://www.djj.state.ga.us/Employees/DJJBUSINESSLINKS.shtml>.

Make hard copies of the EEOP Utilization Report to ensure they are available upon request.

Step 7b: External Dissemination

DJJ's website will be updated with a statement about the most recent EEOP Utilization Report and a link to find the plan:
www.djj.state.ga.us

DJJ's EEO Statement will continue to be posted on DJJ's main webpage and on all job announcements.

All vendors and contractors that the agency does business with will be notified about the agency's most recent EEOP and instructions on where or how to obtain a copy.

Make hard copies of the EEOP Utilization Report to ensure they are available upon request.

Step 4b: (Continued)

Narrative Underutilization Analysis

Black Males were slightly underrepresented in the Skilled Craft (-15%) job category.

Asian Males were slightly underrepresented in the following job categories: Administrative Support (-2%), Professionals (-3%), Technician (-3%), Protective Services Non-sworn (-1%), Administrative Support (-1%) Skilled Craft (-1%)and Service Maintenance (-1%).

White Females were underrepresented in the following job categories: Officials/Administrators (-12%), Professionals (-17%), Protective Services: Non-sworn (-21%), Administrative Support (-16%), and Service Maintenance (-12%).

Hispanic Females were underrepresented in the Officials/Administrators (-1%), Professionals (-1%), Protective Services: Non-sworn (-1%), Administrative Support (-3%), and Service Maintenance (-4%) job categories.

Asian Females were underrepresented in the following job categories: Professionals (-2%), Administrative Support (-1%), and Service Maintenance (-2%).

In reviewing the EEOP Utilization Report that DJJ submitted to OCR two years ago, improvement was made in the recruitment and retention of White, Hispanic and Asian Males. However, slightly increased in the underrepresentation of Asian Females in the Service Maintenance job category.

It is duly noted that while the identified underutilized job categories for the agency are two or more standard deviations, the agency percentages are more in line with the ethnic make-up of the State's workforce.
